STRIKE A LIGHT – BATAK – SPEED CHALLENGE MACHINE 160 CM

This compact Strike a Light™ Batak-style reaction game delivers high-speed gameplay with 8 responsive targets, built to challenge reflexes, coordination, and reaction time. At 160 cm tall, it's perfectly suited for events, exhibitions, and mobile activations.

Constructed from durable steel, it is designed for intensive, long-term use. Widely used by gyms, emergency services, Formula 1 teams, and military training programs, it also serves as a strong visual attraction to draw attention and engage visitors at any event or promotion.

The unit features removable legs, allowing both freestanding use and wall-mounted installation. Setup and breakdown take approximately 3 minutes, making it easy to transport and deploy between locations.

INTERACTIVE JUMP ROPE ARCADE MACHINE AIR TIME MOTIVATOR – FITNESS ATTRACTION FOR ARCADES, GYMS & EVENTS

Air time motivator / Jump Rope Simulator is a freestanding high energy arcade-style game that challenges players to accumulate total air-time score on a large, vibrant LED display with millisecond accuracy. Generates lots of data that induces social media shares. Adjustable throughput of 20-60 players per hour. Perfectly designed for trade shows, fitness centers, brand activations and festivals, the jump-style fitness-fun machine is self-contained, fully automated, and requires minimal operator intervention during normal play.

We build as fast as we can, but due to popular demand the current wait list is about 8 weeks.

REFLEX REACTION AND SPEED GAME STRIKE A LIGHT PROFESSIONAL – 6 GAMES IN 1 – PLUG AND PLAY

Strike-a-light Professional is de ultieme uitdaging voor snelheid en reflexen. Een sportief entertainmentsysteem dat standaard wordt geleverd met 3 unieke en spannende spelmodi met instellingen voor zowel beginners als professionele trainingsoefeningen. Eenvoudig te monteren en eenvoudig te gebruiken (maar moeilijk te beheersen). Deze Batak behendigheidsmachine werkt op standaard USB-C, dus kan zelfs worden gevoed door een telefoonoplader of powerbank. Geen stopcontact in de buurt? Geen probleem! Verkrijgbaar als wandmodel of als vrijstaande machine op een stalen frame met geïntegreerd marketingpaneel. **INCLUSIEF GRATIS MERKBEDRUK** wanneer u kiest voor de versie met stalen frame in plaats van de wandmontageversie -> ontvang ook 3 extra spelmodi + gratis bedrukking van het paneel bij uw bestelling. Alle machines zijn standaard in het

STRIKE A LIGHT – BATAK – MIDI SIZE SPEED CHALLENGE MACHINE BLACK OR WHITE PERSONALIZED

This MIDI sized Strike a light™ batak style speed & reflex game with 12 targets is a bit smaller than the full sized version to accommodate door openings and smaller setups. It is built from steel and is made to last. This reflex game has an impressive size of 180 x 180 cm and is also used in gyms, by police and fire departments, formula 1 racing teams and military personnel to train reflex speed and agility, but of course it truly shines at your next event or brand presentation. With just 3 minutes to set up or tear down this machine is also perfect to travel from event to event, and with our branding or personalization services we can change it's appearance to your preferences.

tip : Machine not the right size for you ? We have bigger and even smaller versions too.

-* sports / fitness *-

STRIKE A LIGHT – BATAK – BASIC SPEED CHALLENGE MACHINE * RENTAL *

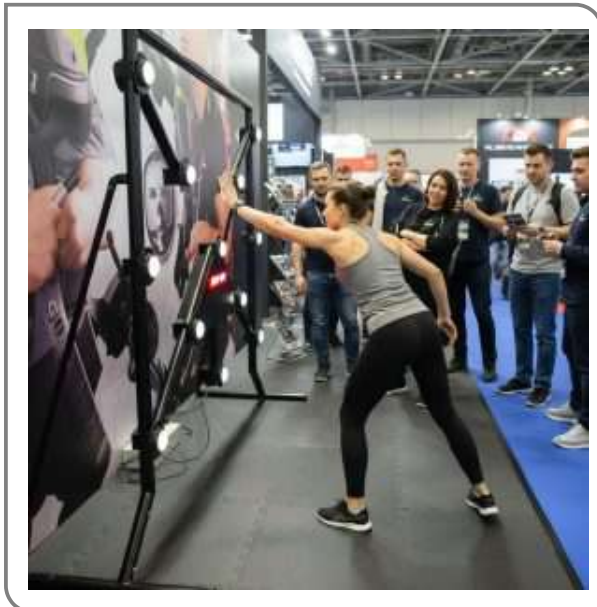

This Strike a light™ basic batak style speed & reflex game with 12 targets is built from steel and is made to last. With it's impressive size of 200 x 200 cm this light chaser stands out and draws people in. This machine is also used in gyms, by police and fire departments, formula 1 racing teams and military personnel to train reflex speed and agility, but of course it truly shines at your next event or brand presentation.

With just 3 minutes to set up or tear down this machine is also perfect to travel from event to event, and with our branding or personalization services we can change it's appearance to your preferences.

take note : Due to the size of this machine we can only offer private courier service for delivery & pick-up ; alternatively you can also arrange for a pickup at our central warehouse

STRIKE A LIGHT – BATAK – SPEED OF LIGHT CHALLENGE – CHASE THE LIGHT REACTION GAME 12 TARGETS

Speed & reflex game with 12 targets built from steel and made to last. Measuring 2x2 m it stands out and draws people in.

Strike a light truly shines at your next event or brand presentation but is also used in gyms, by police and fire crews, formula 1 racing teams army and air force to train reflex speed and agility. Sets up in 3 min. and is perfect to travel from event to event. Using our branding or personalization services you can change it's appearance to your preferences.

tip 1 : optionally comes with a **FREE LEADERBOARD SYSTEM**

tip 2 : Machine too big for you ? We have smaller versions too.

STRIKE A LIGHT – BATAK – SPEED CHALLENGE MACHINE 160 CM

This compact Strike a Light™ Batak-style reaction game delivers high-speed gameplay with 8 responsive targets, built to challenge reflexes, coordination, and reaction time. At 160 cm tall, it's perfectly suited for events, exhibitions, and mobile activations.

Constructed from durable steel, it is designed for intensive, long-term use. Widely used by gyms, emergency services, Formula 1 teams, and military training programs, it also serves as a strong visual attraction to draw attention and engage visitors at any event or promotion.

The unit features removable legs, allowing both freestanding use and wall-mounted installation. Setup and breakdown take approximately 3 minutes, making it easy to transport and deploy between locations.

STRIKE A LIGHT – BATAK – SMALL SIZE SPEED CHALLENGE MACHINE RED WITH WALLMOUNT OPTION

This compact **Strike a Light™ Batak-style reaction game** delivers fast-paced action with 8 responsive targets, designed to test speed, reflexes, and coordination. Standing at 160 cm tall, it's ideal for events, exhibitions, and mobile activations. This machine comes in a very limited edition RED color.

Built from durable steel for long-term use, this machine is trusted by gyms, police and fire departments, Formula 1 teams, and military training programs. At the same time, it's perfectly suited to attract attention and engage visitors at your next event or brand promotion.

Thanks to its removable legs, the unit can also be wall-mounted, offering flexible installation options. Setup and breakdown take just 3 minutes, making transport between locations quick and

REFLEX REACTION AND SPEED GAME STRIKE A LIGHT PROFESSIONAL – 6 GAMES IN 1 – PLUG AND PLAY

Strike-a-light Professional is de ultieme uitdaging voor snelheid en reflexen. Een sportief entertainmentsysteem dat standaard wordt geleverd met 3 unieke en spannende spelmodi met instellingen voor zowel beginners als professionele trainingsoefeningen. Eenvoudig te monteren en eenvoudig te gebruiken (maar moeilijk te beheersen). Deze Batak behendigheidsmachine werkt op standaard USB-C, dus kan zelfs worden gevoed door een telefoonoplader of powerbank. Geen stopcontact in de buurt? Geen probleem! Verkrijgbaar als wandmodel of als vrijstaande machine op een stalen frame met geïntegreerd marketingpaneel. INCLUSIEF GRATIS MERKBEDRUK wanneer u kiest voor de versie met stalen frame in plaats van de wandmontageversie -> ontvang ook 3 extra spelmodi + gratis bedrukking van het paneel bij uw bestelling. Alle machines zijn standaard in het

STRIKE A LIGHT – BATAK – SPEED CHALLENGE MACHINE 160 CM

This compact Strike a Light™ Batak-style reaction game delivers high-speed gameplay with 8 responsive targets, built to challenge reflexes, coordination, and reaction time. At 160 cm tall, it's perfectly suited for events, exhibitions, and mobile activations.

Constructed from durable steel, it is designed for intensive, long-term use. Widely used by gyms, emergency services, Formula 1 teams, and military training programs, it also serves as a strong visual attraction to draw attention and engage visitors at any event or promotion.

The unit features removable legs, allowing both freestanding use and wall-mounted installation. Setup and breakdown take approximately 3 minutes, making it easy to transport and deploy between locations.

-* skill *-

STRIKE A LIGHT – BATAK – SMALL SIZE SPEED CHALLENGE MACHINE RED WITH WALLMOUNT OPTION

This compact **Strike a Light™ Batak-style reaction game** delivers fast-paced action with 8 responsive targets, designed to test speed, reflexes, and coordination. Standing at 160 cm tall, it's ideal for events, exhibitions, and mobile activations. This machine comes in a very limited edition RED color.

Built from durable steel for long-term use, this machine is trusted by gyms, police and fire departments, Formula 1 teams, and military training programs. At the same time, it's perfectly suited to attract attention and engage visitors at your next event or brand promotion.

Thanks to its removable legs, the unit can also be wall-mounted, offering flexible installation options. Setup and breakdown take just 3 minutes, making transport between locations quick and

STRIKE A LIGHT – BATAK – MIDI SIZE SPEED CHALLENGE MACHINE BLACK OR WHITE PERSONALIZED

This MIDI sized **Strike a light™ batak style speed & reflex game** with 12 targets is a bit smaller than the full sized version to accommodate door openings and smaller setups. It is built from steel and is made to last. This reflex game has an impressive size of 180 x 180 cm and is also used in gyms, by police and fire departments, formula 1 racing teams and military personnel to train reflex speed and agility, but of course it truly shines at your next event or brand presentation.

With just 3 minutes to set up or tear down this machine is also perfect to travel from event to event, and with our branding or personalization services we can change it's appearance to your preferences.

tip : Machine not the right size for you ? We have bigger and even smaller versions too.

STRIKE A LIGHT – BATAK – SPEED CHALLENGE MACHINE 160 CM

This compact Strike a Light™ Batak-style reaction game delivers high-speed gameplay with 8 responsive targets, built to challenge reflexes, coordination, and reaction time. At 160 cm tall, it's perfectly suited for events, exhibitions, and mobile activations.

Constructed from durable steel, it is designed for intensive, long-term use. Widely used by gyms, emergency services, Formula 1 teams, and military training programs, it also serves as a strong visual attraction to draw attention and engage visitors at any event or promotion.

The unit features removable legs, allowing both freestanding use and wall-mounted installation. Setup and breakdown take approximately 3 minutes, making it easy to transport and deploy between locations.

-* buy / purchase *-

STRIKE A LIGHT – BATAK – SMALL SIZE SPEED CHALLENGE MACHINE RED WITH WALLMOUNT OPTION

This compact **Strike a Light™ Batak-style reaction game** delivers fast-paced action with 8 responsive targets, designed to test speed, reflexes, and coordination. Standing at 160 cm tall, it's ideal for events, exhibitions, and mobile activations. This machine comes in a very limited edition RED color.

Built from durable steel for long-term use, this machine is trusted by gyms, police and fire departments, Formula 1 teams, and military training programs. At the same time, it's perfectly suited to attract attention and engage visitors at your next event or brand promotion.

Thanks to its removable legs, the unit can also be wall-mounted, offering flexible installation options. Setup and breakdown take just 3 minutes, making transport between locations quick and

STRIKE A LIGHT – BATAK – MIDI SIZE SPEED CHALLENGE MACHINE BLACK OR WHITE PERSONALIZED

This MIDI sized Strike a light™ batak style speed & reflex game with 12 targets is a bit smaller than the full sized version to accommodate door openings and smaller setups. It is built from steel and is made to last. This reflex game has an impressive size of 180 x 180 cm and is also used in gyms, by police and fire departments, formula 1 racing teams and military personnel to train reflex speed and agility, but of course it truly shines at your next event or brand presentation.

With just 3 minutes to set up or tear down this machine is also perfect to travel from event to event, and with our branding or personalization services we can change it's appearance to your preferences.

tip : Machine not the right size for you ? We have bigger and even smaller versions too.

COIN PUSHER PENNY PUSHER LIMITED EDITION GOLDDIGGER

Experience the unmistakable thrill of a classic coin pusher — the sound of falling coins, the tension at the edge, and the reward of a perfect drop. This full-sized, professional-grade machine is built for reliability, player engagement, and long-term operation in arcades, entertainment venues, and commercial environments.

Delivered plug-and-play, this coin pusher combines robust construction with advanced features such as a user-controlled skill button, precision coin handling, integrated sound system, and dynamic LED lighting. The durable cabinet, anti-tamper design, and high-capacity coin management system ensure smooth operation and consistent earnings.

Designed for flexibility, the machine supports EU coins, USD coins, or custom tokens, making it suitable for a wide range of applications. A

PROFESSIONAL COIN PUSHER ARCADE MACHINE – FULL-SIZE GOLD DIGGER EDITION

Bring the unmistakable sound and excitement of a real arcade coin pusher to your location. The Money Mover delivers a full-size, high-impact gameplay experience where timing, precision, and a bit of luck combine to keep players engaged. Players drop coins or tokens onto a moving playfield, aiming to trigger chain reactions that push stacks of coins and prizes over the edge into the payout tray . The simple concept is highly addictive, making it one of the most proven revenue-generating arcade machines worldwide.

Great for events, game rooms, brand activations and trade shows.

STRIKE A LIGHT – BATAK – SPEED CHALLENGE MACHINE 160 CM

This compact Strike a Light™ Batak-style reaction game delivers high-speed gameplay with 8 responsive targets, built to challenge reflexes, coordination, and reaction time. At 160 cm tall, it's perfectly suited for events, exhibitions, and mobile activations.

Constructed from durable steel, it is designed for intensive, long-term use. Widely used by gyms, emergency services, Formula 1 teams, and military training programs, it also serves as a strong visual attraction to draw attention and engage visitors at any event or promotion.

The unit features removable legs, allowing both freestanding use and wall-mounted installation. Setup and breakdown take approximately 3 minutes, making it easy to transport and deploy between locations.

STRIKE A LIGHT – BATAK – SMALL SIZE SPEED CHALLENGE MACHINE RED WITH WALLMOUNT OPTION

This compact **Strike a Light™ Batak-style reaction game** delivers fast-paced action with 8 responsive targets, designed to test speed, reflexes, and coordination. Standing at 160 cm tall, it's ideal for events, exhibitions, and mobile activations. This machine comes in a very limited edition RED color.

Built from durable steel for long-term use, this machine is trusted by gyms, police and fire departments, Formula 1 teams, and military training programs. At the same time, it's perfectly suited to attract attention and engage visitors at your next event or brand promotion.

Thanks to its removable legs, the unit can also be wall-mounted, offering flexible installation options. Setup and breakdown take just 3 minutes, making transport between locations quick and

DIGITAL LEADERBOARD FOR YOUR NEXT EVENT

This digital leaderboard has an administrator panel where you can change the look and feel to match your event, your brand or your products. Easy to add entries and automatically adjust the leaderboard based on scoring. Display the score board on a large monitor, project it on a wall, or be subtle with a simple tablet or laptop screen. This leaderboard can be viewed simultaneously on hundreds of devices so players can keep track of their scoring while they roam the event, and can come back for more competition if they drop lower on the ranking.

See the demo to play with the settings and show you your personal leaderboard in live action

STRIKE A LIGHT – BATAK – SPEED CHALLENGE MACHINE 160 CM

This compact Strike a Light™ Batak-style reaction game delivers high-speed gameplay with 8 responsive targets, built to challenge reflexes, coordination, and reaction time. At 160 cm tall, it's perfectly suited for events, exhibitions, and mobile activations.

Constructed from durable steel, it is designed for intensive, long-term use. Widely used by gyms, emergency services, Formula 1 teams, and military training programs, it also serves as a strong visual attraction to draw attention and engage visitors at any event or promotion.

The unit features removable legs, allowing both freestanding use and wall-mounted installation. Setup and breakdown take approximately 3 minutes, making it easy to transport and deploy between locations.

-* brand activations *-

STRIKE A LIGHT – BATAK – SMALL SIZE SPEED CHALLENGE MACHINE RED WITH WALLMOUNT OPTION

This compact **Strike a Light™ Batak-style reaction game** delivers fast-paced action with 8 responsive targets, designed to test speed, reflexes, and coordination. Standing at 160 cm tall, it's ideal for events, exhibitions, and mobile activations. This machine comes in a very limited edition RED color.

Built from durable steel for long-term use, this machine is trusted by gyms, police and fire departments, Formula 1 teams, and military training programs. At the same time, it's perfectly suited to attract attention and engage visitors at your next event or brand promotion.

Thanks to its removable legs, the unit can also be wall-mounted, offering flexible installation options. Setup and breakdown take just 3 minutes, making transport between locations quick and

STRIKE A LIGHT – BATAK – MIDI SIZE SPEED CHALLENGE MACHINE BLACK OR WHITE PERSONALIZED

This MIDI sized **Strike a light™ batak style speed & reflex game** with 12 targets is a bit smaller than the full sized version to accommodate door openings and smaller setups. It is built from steel and is made to last. This reflex game has an impressive size of 180 x 180 cm and is also used in gyms, by police and fire departments, formula 1 racing teams and military personnel to train reflex speed and agility, but of course it truly shines at your next event or brand presentation.

With just 3 minutes to set up or tear down this machine is also perfect to travel from event to event, and with our branding or personalization services we can change it's appearance to your preferences.

tip : Machine not the right size for you ? We have bigger and even smaller versions too.

STRIKE A LIGHT – BATAK – SPEED CHALLENGE MACHINE 160 CM

This compact Strike a Light™ Batak-style reaction game delivers high-speed gameplay with 8 responsive targets, built to challenge reflexes, coordination, and reaction time. At 160 cm tall, it's perfectly suited for events, exhibitions, and mobile activations.

Constructed from durable steel, it is designed for intensive, long-term use. Widely used by gyms, emergency services, Formula 1 teams, and military training programs, it also serves as a strong visual attraction to draw attention and engage visitors at any event or promotion.

The unit features removable legs, allowing both freestanding use and wall-mounted installation. Setup and breakdown take approximately 3 minutes, making it easy to transport and deploy between locations.

-* event purchase *-

STRIKE A LIGHT – BATAK – SMALL SIZE SPEED CHALLENGE MACHINE RED WITH WALLMOUNT OPTION

This compact **Strike a Light™ Batak-style reaction game** delivers fast-paced action with 8 responsive targets, designed to test speed, reflexes, and coordination. Standing at 160 cm tall, it's ideal for events, exhibitions, and mobile activations. This machine comes in a very limited edition RED color.

Built from durable steel for long-term use, this machine is trusted by gyms, police and fire departments, Formula 1 teams, and military training programs. At the same time, it's perfectly suited to attract attention and engage visitors at your next event or brand promotion.

Thanks to its removable legs, the unit can also be wall-mounted, offering flexible installation options. Setup and breakdown take just 3 minutes, making transport between locations quick and

STRIKE A LIGHT – BATAK – MIDI SIZE SPEED CHALLENGE MACHINE BLACK OR WHITE PERSONALIZED

This MIDI sized **Strike a light™ batak style speed & reflex game** with 12 targets is a bit smaller than the full sized version to accommodate door openings and smaller setups. It is built from steel and is made to last. This reflex game has an impressive size of 180 x 180 cm and is also used in gyms, by police and fire departments, formula 1 racing teams and military personnel to train reflex speed and agility, but of course it truly shines at your next event or brand presentation.

With just 3 minutes to set up or tear down this machine is also perfect to travel from event to event, and with our branding or personalization services we can change it's appearance to your preferences.

tip : Machine not the right size for you ? We have bigger and even smaller versions too.

Air time motivator / Jump Rope Simulator is a freestanding high energy arcade-style game that challenges players to accumulate total air-time score on a large, vibrant LED display with millisecond accuracy. Generates lots of data that induces social media shares. Adjustable throughput of 20-60 players per hour. Perfectly designed for trade shows, fitness centers, brand activations and festivals, the jump-style fitness-fun machine is self-contained, fully automated, and requires minimal operator intervention during normal play.

We build as fast as we can, but due to popular demand the current wait list is about 8 weeks.

STRIKE A LIGHT – BATAK – SPEED CHALLENGE MACHINE 160 CM

This compact Strike a Light™ Batak-style reaction game delivers high-speed gameplay with 8 responsive targets, built to challenge reflexes, coordination, and reaction time. At 160 cm tall, it's perfectly suited for events, exhibitions, and mobile activations.

Constructed from durable steel, it is designed for intensive, long-term use. Widely used by gyms, emergency services, Formula 1 teams, and military training programs, it also serves as a strong visual attraction to draw attention and engage visitors at any event or promotion.

The unit features removable legs, allowing both freestanding use and wall-mounted installation. Setup and breakdown take approximately 3 minutes, making it easy to transport and deploy between locations.

STRIKE A LIGHT – BATAK – SMALL SIZE SPEED CHALLENGE MACHINE RED WITH WALLMOUNT OPTION

This compact **Strike a Light™ Batak-style reaction game** delivers fast-paced action with 8 responsive targets, designed to test speed, reflexes, and coordination. Standing at 160 cm tall, it's ideal for events, exhibitions, and mobile activations. This machine comes in a very limited edition RED color.

Built from durable steel for long-term use, this machine is trusted by gyms, police and fire departments, Formula 1 teams, and military training programs. At the same time, it's perfectly suited to attract attention and engage visitors at your next event or brand promotion.

Thanks to its removable legs, the unit can also be wall-mounted, offering flexible installation options. Setup and breakdown take just 3 minutes, making transport between locations quick and

STRIKE A LIGHT – BATAK – SPEED CHALLENGE MACHINE 160 CM

This compact Strike a Light™ Batak-style reaction game delivers high-speed gameplay with 8 responsive targets, built to challenge reflexes, coordination, and reaction time. At 160 cm tall, it's perfectly suited for events, exhibitions, and mobile activations.

Constructed from durable steel, it is designed for intensive, long-term use. Widely used by gyms, emergency services, Formula 1 teams, and military training programs, it also serves as a strong visual attraction to draw attention and engage visitors at any event or promotion.

The unit features removable legs, allowing both freestanding use and wall-mounted installation. Setup and breakdown take approximately 3 minutes, making it easy to transport and deploy between locations.

-* team building and corporate *-

STRIKE A LIGHT – BATAK – SMALL SIZE SPEED CHALLENGE MACHINE RED WITH WALLMOUNT OPTION

This compact **Strike a Light™ Batak-style reaction game** delivers fast-paced action with 8 responsive targets, designed to test speed, reflexes, and coordination. Standing at 160 cm tall, it's ideal for events, exhibitions, and mobile activations. This machine comes in a very limited edition RED color.

Built from durable steel for long-term use, this machine is trusted by gyms, police and fire departments, Formula 1 teams, and military training programs. At the same time, it's perfectly suited to attract attention and engage visitors at your next event or brand promotion.

Thanks to its removable legs, the unit can also be wall-mounted, offering flexible installation options. Setup and breakdown take just 3 minutes, making transport between locations quick and

STRIKE A LIGHT – BATAK – MIDI SIZE SPEED CHALLENGE MACHINE BLACK OR WHITE PERSONALIZED

This MIDI sized Strike a light™ batak style speed & reflex game with 12 targets is a bit smaller than the full sized version to accommodate door openings and smaller setups. It is built from steel and is made to last. This reflex game has an impressive size of 180 x 180 cm and is also used in gyms, by police and fire departments, formula 1 racing teams and military personnel to train reflex speed and agility, but of course it truly shines at your next event or brand presentation.

With just 3 minutes to set up or tear down this machine is also perfect to travel from event to event, and with our branding or personalization services we can change it's appearance to your preferences.

tip : Machine not the right size for you ? We have bigger and even smaller versions too.

-* team building and corporate *-

STRIKE A LIGHT – BATAK – BASIC SPEED CHALLENGE MACHINE * RENTAL *

This Strike a light™ basic batak style speed & reflex game with 12 targets is built from steel and is made to last. With it's impressive size of 200 x 200 cm this light chaser stands out and draws people in. This machine is also used in gyms, by police and fire departments, formula 1 racing teams and military personnel to train reflex speed and agility, but of course it truly shines at your next event or brand presentation.

With just 3 minutes to set up or tear down this machine is also perfect to travel from event to event, and with our branding or personalization services we can change it's appearance to your preferences.

take note : Due to the size of this machine we can only offer private courier service for delivery & pick-up ; alternatively you can also arrange for a pickup at our central warehouse

STRIKE A LIGHT – BATAK – SPEED OF LIGHT CHALLENGE – CHASE THE LIGHT REACTION GAME 12 TARGETS

Speed & reflex game with 12 targets built from steel and made to last. Measuring 2x2 m it stands out and draws people in.

Strike a light truly shines at your next event or brand presentation but is also used in gyms, by police and fire crews, formula 1 racing teams army and air force to train reflex speed and agility. Sets up in 3 min. and is perfect to travel from event to event. Using our branding or personalization services you can change it's appearance to your preferences.

tip 1 : optionally comes with a **FREE LEADERBOARD SYSTEM**

tip 2 : Machine too big for you ? We have smaller versions too.

COIN PUSHER PENNY PUSHER LIMITED EDITION GOLDDIGGER

Experience the unmistakable thrill of a classic coin pusher — the sound of falling coins, the tension at the edge, and the reward of a perfect drop. This full-sized, professional-grade machine is built for reliability, player engagement, and long-term operation in arcades, entertainment venues, and commercial environments.

Delivered plug-and-play, this coin pusher combines robust construction with advanced features such as a user-controlled skill button, precision coin handling, integrated sound system, and dynamic LED lighting. The durable cabinet, anti-tamper design, and high-capacity coin management system ensure smooth operation and consistent earnings.

Designed for flexibility, the machine supports EU coins, USD coins, or custom tokens, making it suitable for a wide range of applications. A

PROFESSIONAL COIN PUSHER ARCADE MACHINE – FULL-SIZE GOLD DIGGER EDITION

Bring the unmistakable sound and excitement of a real arcade coin pusher to your location. The Money Mover delivers a full-size, high-impact gameplay experience where timing, precision, and a bit of luck combine to keep players engaged. Players drop coins or tokens onto a moving playfield, aiming to trigger chain reactions that push stacks of coins and prizes over the edge into the payout tray . The simple concept is highly addictive, making it one of the most proven revenue-generating arcade machines worldwide.

Great for events, game rooms, brand activations and trade shows.

BUZZER BALANCE PRO – INTERACTIVE BUZZ WIRE CHALLENGE FOR TRADE SHOWS, BRAND ACTIVATIONS & EVENT ENGAGEMENT

Buzzer balance PRO™ has all the professional features you can ask for in a buzz wire game. No power outlet needed ! Automated gameplay, full personalization options and easy setup and transport make this steady skill game a favorite among branding agencies and event organizers. With it's large promotional display it can drive your message home while entertaining your visitors. Trade shows and brand activations have a single challenge: **stop people, engage them, and keep them interacting with your brand.** For branding agencies, event coordinators, and exhibition stands, this type of interaction works extremely well. The gameplay is instantly understood by visitors walking past your booth, requires no explanation, and naturally draws spectators as players attempt to beat the challenge.

This MIDI sized Strike a light™ batak style speed & reflex game with 12 targets is a bit smaller than the full sized version to accommodate door openings and smaller setups. It is built from steel and is made to last. This reflex game has an impressive size of 180 x 180 cm and is also used in gyms, by police and fire departments, formula 1 racing teams and military personnel to train reflex speed and agility, but of course it truly shines at your next event or brand presentation.

With just 3 minutes to set up or tear down this machine is also perfect to travel from event to event, and with our branding or personalization services we can change it's appearance to your preferences.

tip : Machine not the right size for you ? We have bigger and even smaller versions too.

STRIKE A LIGHT – BATAK – BASIC SPEED CHALLENGE MACHINE * RENTAL *

This Strike a light™ basic batak style speed & reflex game with 12 targets is built from steel and is made to last. With it's impressive size of 200 x 200 cm this light chaser stands out and draws people in. This machine is also used in gyms, by police and fire departments, formula 1 racing teams and military personnel to train reflex speed and agility, but of course it truly shines at your next event or brand presentation.

With just 3 minutes to set up or tear down this machine is also perfect to travel from event to event, and with our branding or personalization services we can change it's appearance to your preferences.

take note : Due to the size of this machine we can only offer private courier service for delivery & pick-up ; alternatively you can also arrange for a pickup at our central warehouse

BUZZER BALANCE PRO – INTERACTIVE BUZZ WIRE CHALLENGE FOR TRADE SHOWS, BRAND ACTIVATIONS & EVENT ENGAGEMENT

Buzzer balance PRO™ has all the professional features you can ask for in a buzz wire game. No power outlet needed ! Automated gameplay, full personalization options and easy setup and transport make this steady skill game a favorite among branding agencies and event organizers. With it's large promotional display it can drive your message home while entertaining your visitors. Trade shows and brand activations have a single challenge: **stop people, engage them, and keep them interacting with your brand.** For branding agencies, event coordinators, and exhibition stands, this type of interaction works extremely well. The gameplay is instantly understood by visitors walking past your booth, requires no explanation, and naturally draws spectators as players attempt to beat the challenge.

STRIKE A LIGHT – BATAK – SPEED CHALLENGE MACHINE 160 CM

This compact Strike a Light™ Batak-style reaction game delivers high-speed gameplay with 8 responsive targets, built to challenge reflexes, coordination, and reaction time. At 160 cm tall, it's perfectly suited for events, exhibitions, and mobile activations.

Constructed from durable steel, it is designed for intensive, long-term use. Widely used by gyms, emergency services, Formula 1 teams, and military training programs, it also serves as a strong visual attraction to draw attention and engage visitors at any event or promotion.

The unit features removable legs, allowing both freestanding use and wall-mounted installation. Setup and breakdown take approximately 3 minutes, making it easy to transport and deploy between locations.

-* machines and games *-

STRIKE A LIGHT – BATAK – SMALL SIZE SPEED CHALLENGE MACHINE RED WITH WALLMOUNT OPTION

This compact **Strike a Light™ Batak-style reaction game** delivers fast-paced action with 8 responsive targets, designed to test speed, reflexes, and coordination. Standing at 160 cm tall, it's ideal for events, exhibitions, and mobile activations. This machine comes in a very limited edition RED color.

Built from durable steel for long-term use, this machine is trusted by gyms, police and fire departments, Formula 1 teams, and military training programs. At the same time, it's perfectly suited to attract attention and engage visitors at your next event or brand promotion.

Thanks to its removable legs, the unit can also be wall-mounted, offering flexible installation options. Setup and breakdown take just 3 minutes, making transport between locations quick and

STRIKE A LIGHT – BATAK – MIDI SIZE SPEED CHALLENGE MACHINE BLACK OR WHITE PERSONALIZED

This MIDI sized **Strike a light™ batak style speed & reflex game** with 12 targets is a bit smaller than the full sized version to accommodate door openings and smaller setups. It is built from steel and is made to last. This reflex game has an impressive size of 180 x 180 cm and is also used in gyms, by police and fire departments, formula 1 racing teams and military personnel to train reflex speed and agility, but of course it truly shines at your next event or brand presentation.

With just 3 minutes to set up or tear down this machine is also perfect to travel from event to event, and with our branding or personalization services we can change its appearance to your preferences.

tip : Machine not the right size for you ? We have bigger and even smaller versions too.

CUSTOM DESIGNED LASER ENGRAVED METAL COINS OR GAMETOKENS

Metal coins or tokens with your own logo or text. From 100 to 250.000 tokens ; we can make your custom coins any way you like using powerful laser annealing for extreme long lasting iridescent effects. Annealed coins are wear proof as we alter the structure of the metal instead of painting something on the surface. Tokens can be engraved single side or on both sides. The choice is all yours. Suitable for use in arcade machines, laundry systems, vending machines, access control, car washes, amusement parks, events, and promotional campaigns. Ideal for both functional use and branded customer engagement.

EXTREMELY DURABLE _ FAST DELIVERY TIMES

cheaper by volume - up to 68% discount when ordering more!

SERVICE CONTRACT FOR EXPEDITED ON-CALL ASSISTANCE

Need Peace of Mind for Your Big Day?

If you are preparing for a high-stakes event or just want extra support while your team is on-site, a short-term service contract gives you expedited access to customer service representatives and technicians when it matters most. Technology may break down unexpectedly, staff may not have the experience to adjust settings and simple things all of a sudden seem complicated. Now imagine having an experienced technician on-call, ready to help diagnose or troubleshoot unexpected glitches or provide instant answers to quick questions—even after hours and on Saturdays. While technicians can not fix an actual physical breakdown per chat or e-mail, they can help remotely in over 90% of urgent service requests. Of course our standard customer service is always available during regular hours, but with a
